Membership information • You may retain the lower portion for your records

Membership is open to all who support the City Club mission (see reverse side for mission statement).

All information is confidential.

Annual dues support speaker and meeting expenses, mailings, advertising, and general administration.

Membership has no other conditions and there is no fund raising.

You may submit this form with your payment at a meeting or mail it to the address below.

If you wish to show your support for our mission but find our dues difficult in your current circumstances, we are happy to accept a contribution in lieu of dues. We ask only that such contribution cover our direct costs of about \$20 per year. This insures that, in respect of other members, your participation is revenue neutral and does not diminish Program resources available. To use this policy, simply write the words "Alternative Fee" in the memo portion of your check.

Mission Statement

Bellingham City Club is citizens from diverse backgrounds cooperating to promote informed discussion of issues important to our community.

Two-person household membership \$55 Three-person household membership \$75
