# BELLINGHAM CITY CLUB MEMBERSHIP

## About City Club

Bellingham City Club provides a regular non-partisan forum for local citizens who desire to explore topics of interest and importance to us all.

We intend programs to enlighten, to advance thoughtful deliberation and, on occasion, just to entertain. By charter, we focus on our mission and choose not to overlap with or participate in the many fundraising and volunteer service opportunities delivered effectively by other organizations.

## Mission Statement

Bellingham City Club is *citizens from diverse backgrounds cooperating to promote informed discussion of issues important to our community.*
