

# BELLINGHAM CITY CLUB SPONSORING MEMBERSHIP

***Support quality civic dialogue guided by members of our City Club community since 1993. Thank you for your interest in supporting the Bellingham City Club!***

## **About Bellingham City Club**

Bellingham City Club provides a regular non-partisan forum for local citizens who desire to explore topics of interest and importance to us all. We intend programs to enlighten, to advance thoughtful deliberation and, on occasion, just to entertain. By charter, we focus on our mission and choose not to overlap with or participate in the many fundraising and volunteer service opportunities delivered by other organizations.

## **Vision**

We envision a Bellingham where people from every part of our community come together to better understand public issues, engage with diverse perspectives, and feel genuinely connected to the civic life of the place we call home. We advance this vision by offering regular, in-person forums with high quality speakers, shared meals, and a welcoming environment that encourages curiosity, connection, and informed civic engagement.

## **Mission Statement**

Our mission is to inform, connect, and engage our community to strengthen the civic health of our region.

## **Your Sponsoring Membership is a win-win!!**

Bellingham City Club offers the opportunity for businesses and organizations to demonstrate support for our vital mission. Sponsor support enhances your brand and visibility, invites employee participation, and engages community members in important local discussions. Sponsor support also helps maintain City Club's quality programming and reach. Your vital funding supports facility expenses, speaker fees, and club administration. Membership is open to all who support the City Club mission. All information is confidential. Sponsorships require no other conditions and there is no fundraising.
